

FROM THE RECTOR

When many stand silently for two minutes this month, joining in our nation’s acts of remembrance, we are taking part in something of real significance. We are not just remembering conflicts past and present, but standing alongside those who continue to suffer because of violence, in a world that finds it hard to live at peace.

My prayer is that the silence will speak to all of us.

Fr Brian

in Prince Andrew’s Chapel, Aldborough

MEMBERS SOCIAL AFTERNOON

At the end of a year we can reflect on what we have done, and bring with us a few seasonal offerings and items to share - a memory of a Christmas gone by; a poem, reading or story we have enjoyed, a piece of craft work with an Advent or Christmas theme, a taste of something seasonal to eat, or whatever else comes to mind. So, please, bring and share something!

PLEASE NOTE WE ARE BACK IN CHAPEL FOR THE WINTER MONTHS

WOMEN’S OWN

For around 60 years this group has met fortnightly in Aldborough to share a word from the Bible, pray, and enjoy contributions from each other in the form of verse or other readings, we also have a cup of tea together. Currently we meet in the comfortable lounge of Prince Andrews Chapel on Thursday afternoons at 2.15, ending around 3.30 pm; our numbers have become very low and we would love to welcome other ladies to this quiet and pleasant time together.

Please call 761398 for more information and consider joining us.

SAMARITAN'S PURSE SHOE BOX APPEAL

..... There may still be time to take part in this Christmas appeal if you would like to. It's really simple... first get a shoe box, then fill it with items for a boy or girl (2 - 15 years). A tennis ball, skipping rope, hair brush, toothpaste, soap, scarf, doll - any of these items will be appreciated by a child. Instruction leaflets are available at Spar, Post Office or ring Pat 761602 or Sue 761310.

Boxes need to be in by 5th November.

ALLOTMENTS

If you would like to know more, or put your name on the waiting list, please ring Sue 761310.

ALDBOROUGH PARISH COUNCIL

Next meeting on **Wednesday 3rd November at 7.30** in the Community Centre.

Items from the Minutes of the October meeting (Editor's choice).

Present: John Padgham (Chairman), Tony Baillie and Martin Elliott

Matters arising:

ME has examined the ROSPA Safety Report and will ask the Clerk to order what is required.

The Parish Council's views on proposals for excessive Council Tax increases have been passed on to the Government. These views are shared by the majority of Parish Councils in North Norfolk.

The wish to change the Parish Name will be considered by NNDC at their next meeting on 3rd November.

The Parish Council's views on a Rural Exception Housing Scheme had been passed to NNDC.

Bulbs have now been purchased and would be planted around the Village Sign.

The position of Village Correspondent is still vacant.

At this point the Meeting was suspended to allow members of the public present to speak.

Mr Richard Fisher stated that the Cricket Club had been obliged to play their Alliance League matches at Holt because of the lack of acceptable facilities in Aldborough. NNDC had advised that the construction of a pavilion on the Green was unlikely to be approved but he enquired about the possibility of placing a temporary changing room on the Green, as well as laying a hard surface on part of the Green for training purposes. **JP** explained that a formal proposal would need to be made by the Cricket Club for consideration by the Parish Council and that a specific item could then be included on the agenda for a subsequent meeting. **Mr Alex Pugh** enquired whether the Parish Council had heard from NNDC about their suggestion that ALD29 should be considered as a Rural Exception Housing Site. He was informed not. **Mr Dennis Bacon** asked the Parish Council about possible traffic calming measures in Margaret Lilly Way. The Parish Council agreed to approach Norfolk County Council about this. He also took the opportunity to present some additional bulbs to the Parish Council for planting on the Green for which **JP** thanked him.

Police Community Support Officer's Report

Since the last meeting, no crimes had been reported and there had been four calls to the police. The next **Mobile Police Station will be near the Post Office on Saturday 30th October, 11.00 - 12.00.**

Christmas Tree - Health and Safety

The Clerk reported receipt of a letter from NNDC following a complaint by a parishioner about the intention to site the Christmas tree this year in the same position as previously. He read the letter and the response that had been sent to NNDC after consultation with **ME**. Nothing further has been heard

but the revised risk assessment for the Christmas tree (referred to in the response) will form part of the overall risk assessment report to be considered at the next meeting. He also reported that the Parish Council's insurers have indicated certain requirements for the Christmas tree and lights. The electricity supply box on the Green should be safety checked before the Christmas lights are switched on.

Reports by Parish Councillors

Community Bus – Two possible new drivers have volunteered.

JH had reported **footpaths** wet and squelchy and had drawn attention to an overgrown hedge on the road to Calthorpe. **Planning permission** has been granted, subject to conditions, for the erection of a one and a half storey rear extension at Nidlings, Hall Road, Aldborough.

There is a possibility that the latest Local Development Framework proposals will not proceed.

Correspondence included an e-mail from Norfolk police drawing attention to a "Trick or Treaters Welcome" poster that can be downloaded from their website. www.norfolk.police.uk/safetyadvice

Finance

The Clerk submitted a draft Budget for 2011/12. Having taken account of the estimated balance to be carried forward on 31st March and possible cost implications of the Parish Council elections in May, the Parish Council decided to issue a precept for £5,000, the same as for 2010/11.

The Clerk reported that the external auditors, Mazars LLP, have now completed their audit for the year ended 31st March 2010. Their report indicates that the information contained in the Annual Return is in accordance with the Audit Commission's requirements and that no matters have come to their attention that give cause for concern. Notice of the conclusion of the audit was posted on 27th September but no one has yet exercised their right to inspect the Annual Return.

The Clerk drew attention to the recent Government statement about the proposed abolition of the Audit Commission and the potential cost implications of having to employ private sector accountants to undertake future audits.

Any other business

TB drew attention to the "hidden" 30 mph sign in the hedge near to the Doctors' Surgery. This will be reported to NCC. **JP for BM** reported that the bottle bank is full. **JP for BM** enquired whether the second junior goal post should be put on the Green - agreed.

As there is still no Village Correspondent, organisers of events are reminded that they can send in their own reports or photographs to North Norfolk News if they wish (no pay!), or tell the Editor of the CrabLine about activities in advance.

News from Aldborough Primary School

We are getting really excited about our new school build. It's not just new classrooms, there's an amazing glass roof, a large shared learning area and a large wooden veranda overlooking our wonderful field. We are all set to move in by the end of November. Our Christmas performances will be on our new stage so we do hope members of the community will be able to come along. Dates out soon.

So what of the learning opportunities? Years 4 and 5 have been away on an outdoor and adventurous break at Eaton Vale. They did all sorts of activities but when I visited them they were precariously balanced in the middle of a river on home made rafts! It's true to say however that most dips into the river were fairly self induced. The collaboration and fun was evident. Thankfully the weather was reasonably kind.

Our Reception children and those in Years 1, 2 and 3 delighted the audiences of parents at three harvest assemblies. Each class did an oral storytelling with a harvest theme and the produce generously given was well received by the Night Shelter in Norwich.

Children across the years took part in a cross-country event at Gresham's at Holt. Three times each week, between 8.30 and 9.00, approximately 18 children train in cross-country running. They were delighted to be invited to this event and came away having had a really good time, gained confidence and for some they excelled. Our best athletes came 8th and 9th in fields of well over 120 children!

Classes 4 and 5 are learning about the Victorians and about World War 2. We already have a large amount of evidence from the village but if anyone has tales to tell please do contact the school office. The classes are going to visit either Gressenhall or Norwich museums for living history events in the next week or so.

Finally, parents have the opportunity to join in with their child's learning. We have a Family outing to London to the Imperial War Museum and one of our parents has given guided nature walks of our grounds.

All in all we have had a very good start to the year and Aldborough continues to be a great place to work and learn.

BLOOD DONORS At the last visit of the Bloodmobile to Aldborough, 31 units of blood were given.
Many thanks to all donors.

ALDBOROUGH WILDLIFE GROUP

We'd asked if anyone might be interested in forming a new group?? 45 people turned up for an exploratory meeting in the bar of the Community Centre, they welcomed the ideas put forward by Christine Carlson and Anne Murat, and then produced a lot more. A full programme up to next August has already been produced and there has been a visit to Cley to watch waders. The next outing will be to **Horsey Beach to see Atlantic seal pups on Saturday 27th November**. The Community Bus will leave the Green at 9.15am: seats must be booked and paid for in advance. Car drivers meet at Horsey Mill car park at 10.00. (Share if you can.) There will be a walk of about a mile across fields. For more information contact Christine or Anne.

ALDBOROUGH CHURCH'S Harvest supper The Church Room was imaginatively decorated and 70 people (aged 3 to 93) sat down to an excellent meal and topical entertainment by local talent – thank you Glynn & Emily, and thank you John. The main course was provided by 'About with Friends' and their young people who are being trained in catering skills. They also did all the serving and most of the washing up – and didn't they work hard?! Harvest puddings, delicious fruit crumbles, came from a variety of Aldborough & Thurgarton kitchens – thanks to the cooks.

Gardening with Friends is a new scheme being developed by this local charity which supports people with learning difficulties to acquire skills and enjoy a social life.

Gardening with Friends

What does the scheme cover?

Our team of gardeners are available to lend a hand with all sorts of gardening jobs you may not have the time or expertise to do yourself. Weeding, pruning, grass cutting and planting are just some of the tasks we can assist you with.

Why not give us a call and see how we can help you.

If you would like to book a visit or find out more about the services, please contact us on;

Can you help in Erpingham and Calthorpe?

The Village Hall committee is always looking for new talent. Could you help with one specific event during the year, maybe with publicity or car parking or selling tickets or helping to set up? Or could you organise something if others helped you? Is there a particular activity that you would like to see in the Hall? You don't have to join the committee. And we'll welcome any involvement, large or small. Please speak to anyone you know who is involved, or any member of the committee: Daphne on 761704; Stephen or Clare on 761350; Stewart or Jenny on 768992; Marsinah on 768279; Stephen on 768209; Eleanor on 768073; David on 768233; John on 732708; or Alan on 761523. Many thanks.

HARVEST SUPPER AT ERPINGHAM VILLAGE HALL

About 50 people thoroughly enjoyed the harvest supper with an opportunity for socialising and eating some delicious food. Thanks to everyone who helped organise, cook, and clear up afterwards. We were shown a moving DVD of the work of the Mines Advisory Group at half time making us realise how lucky we are to be able to harvest our crops in safety. The profit from the supper with added donations on the night meant we were able to send a cheque for **£348.58** to the charity.

ERPINGHAM VC PRIMARY SCHOOL'S "TOUR OF ERPINGHAM"

On a relatively sunny morning in September two police officers strolled up to our school! This marked the start of our very own "Tour of Erpingham". Our whole school - children and staff- met in the front play ground with their bikes to complete a tour around

Erpingham. The children were aged between five and ten so for some it was a real challenge. North Walsham Neighbourhood Policing Team had kindly agreed to join us. Annabel Rowe , Year 6, and Finley Marshal, Year 5, reported on the event: To start the day we had an assembly led by Mr Richard Wiseman, our road safety officer from Norfolk Local Authority. He arrived at our school on his BMW

motorbike. He showed us a power point presentation of a knight and a bicycle rider who both needed protective helmets: the knight had a full face helmet and the cyclist had just his head protected. We were then shown a video of a little girl who we thought was silly as she was riding her bike without a helmet. The photograph of a little boy who banged his

head showed that he was very lucky to be alive as he had to have over thirty stitches in the hospital.

After the presentation, helmets were carefully checked to make sure that they fitted perfectly. Bikes were inspected to check that they were road worthy.

Two community police officers brought their bicycles to school to escort us cycling around the narrow lanes of Erpingham to rendezvous at the village hall where a handful of parents were waiting to receive us.

After a hot drink for parents and a carton of juice for the kids (and we had a chocolate!) we put back on our reflective coats and off we headed back to school led by PCSO Spinks.

"I thought it was a great idea because we all got to go cycling as seen in the Tour of Britain, I really enjoyed it" Annabel remarked. "I thought it was a very slow ride compared to mountain biking and thought it could go a lot faster, but overall it was excellent!" exclaimed Finley. Molly Flinders described it as "spectacular" and Joe Draper's comments were "absolutely brilliant". Holly said "can we go again now?"

As we returned back to school on our bikes it started to rain but this didn't stop us. We were a little more weary than we had been at the start but had a really lovely time.

We would like to say a big thank you to Richard and the two Police Constables Spinks and Huck from North Walsham who now have to cycle all the way back from Erpingham – Good Luck!

From the Editor's Inbox TREASURE TROVE in INGWORTH??

From Sarah Watkins, Riverside, Ingworth: " I am not sure whether your paper is the correct place for this, but I have found a hall-marked silver napkin ring in the garden here. It looked like any one of those metal bits that one does find and I was about to bin it when I noticed the markings. Cleaned up, it is very prettily engraved and has the initials A A S (or L). If any of your readers would like to claim it, I should be glad ; otherwise it could perhaps go to a fund-raising sale ?"

Next instalment "The ring is now with jewellers in Aylsham, J. Christian in Red Lion Street (01263 732295), who are checking with their Norwich branch about the hallmarks, which seem to point to Edinburgh, and about the final initial which could be P L or S . . . A neighbour remembered a Parker here but it is a very femininely designed ring so of course it is likely to be a maiden name that then changed." If anyone has further clues, please contact Sarah (01263 735440). To see the ring contact J Christian. (Note: the valuation might pay for a short cruise - an afternoon on the Broads?)

ALBY with THWAITE PARISH COUNCIL Minutes of the September meeting

Potholes & flooding Alby Low Common

Grips to be cleared, ditches dug and potholes filled with asphalt; most of the work to be done over next 6 months. Despite clearance of some grips, flooding is still a problem, probably due to current high water level. Availability of funds limits work. Mr Platts to monitor and liaise with Highways.

Ramilles Barn, Thwaite Common – helicopter activity

Local residents are logging activity on forms provided by NNDC, and identifying helicopters in use. Particular concern about proximity of helicopter pad to other properties. Activity is permitted for domestic use only – should pad be used commercially, planning permission would be required.

Deer's Glade Caravan Site – noise nuisance

Site meeting held 19/8/10. Deer's Glade is promoted as a quiet site with an emphasis on wildlife and conservation. The owners agreed to emphasise this to customers when booking and again on arrival; wardens to monitor site for noise and disturbance. Trees required by planning permission as screen have been planted but are taking a long time to grow. The noise nuisance to residents of Alby Low Common was expected to return during school half-term holidays. Noise levels are being monitored locally.

Pond restoration, Thwaite Common

NNDC Management Committee declined to contribute to cost of latest pond restoration, arguing that funding had not been agreed beforehand and that they have limited financial resources.

Finance Current balance £107.78

Planning applications, Alby Hill

a) *Orchard House* – supported by PC

b) *Martindale* – approved by NNDC

AOB

Continued concern about risk of damage to Alby churchyard wall by large lorries servicing the potato store opposite. Clerk to contact Toby Mermagen with a view to discussing the matter with Highways.

Date of next meeting: Wednesday 17th November

FROM THE EDITOR'S POSTBAG

Walter and Kay Freestone write: 'To all our friends from Erpingham and Calthorpe Churches, thank you for the lovely bouquet and the cards we received to mark our sixtieth wedding anniversary'. Congratulations to them from all of us.

3500 Years of Art and Belief in Norfolk

Until mid-January Norwich Castle Museum and Art Gallery are holding an exhibition called The Art of Faith, which examines the long history of religious diversity in Norfolk, and brings together rare and beautiful religious objects from the Bronze Age to the present day.

Norfolk has been home to many faiths. For example, Vikings, Anglo-Saxons, Romans, Christians, Jews, Sikhs, Muslims, Pagans, Buddhists, Hindus, Baha'is and members of the Church of Christ Jesus of Latter-Day Saints (Mormons) have all arrived with their own belief systems. Norfolk's landscape is dotted with churches, a reflection of the various different branches of Christianity practised.

Around half of the objects in this striking exhibition come from Norfolk itself. Highlights include Rubens' altarpiece *The Return from Egypt* (Holkham Hall), a spectacular four metre high font cover (St James Church, Castle Acre), the magnificent Bronze Age *Oxborough dirk* (British Museum) and the *Bodleian Bowl*, a Medieval Jewish ritual vessel, discovered in Norfolk (Ashmolean Museum).

Historical pieces are set beside contemporary works, revealing that what was important in the past is still relevant today. One of the most memorable pieces is John Goto's *Loss of Face, Iconoclasts Zealots and Vandals* (2002) - a series of photographs showing church rood screens attacked by iconoclasts during the Reformation. The show also features a specially commissioned film, 'Something understood' by Chris Newby, working in collaboration with an interfaith group and as many local communities as possible.

To find out more you can download a full Press Release at <http://www.norwich.anglican.org/documents/Art-of-Faith.pdf> or visit the Castle website at <http://www.museums.norfolk.gov.uk/default.asp?Document=200.21>

THE BIG SOCIETY - Community involvement

Some recent statistics

- **More people do unpaid work for church organisations than any other organisation.** Eight per cent of adults undertake voluntary work for church organisations while sixteen per cent of adults belong to religious or church organisations.
- A quarter of regular churchgoers (among both Anglicans and other Christians separately) are involved in voluntary **community service outside the church**. Churchgoers overall contribute **23.2 million hours voluntary service each month** in their local communities outside the church.
- The Church of England provides activities outside church worship in the local community for **407,000 children and young people** (aged under 16 years) and **32,900** young people (aged 16 to 25 years). More than **116,000** volunteers and an additional **4900** employed adults run children/young people activity groups sponsored by the Church of England outside church worship.
- Church of England congregations give more than **£51.7 million** each year to other charities - that's even more than the BBC's annual Children in Need appeal.
- More than **half a million** worshippers subscribe to tax-efficient giving schemes such as Gift Aid, accounting for half the voluntary income of parish churches.
