

**FROM THE RECTOR**

New Year's Eve for many is a time of celebration. Whether you party into the small hours or stay at home and have an early night, may this new year be a time of blessing.

We don't always appreciate things that are new, where our past and the future can weigh heavily on us. In this, those who share a Christian faith are challenged and seek renewal in and through their relationship with Jesus.

In placing our time within his time, we learn to walk not singly in our own strength, but open to his loving purpose.

Those who genuinely seek to grow in that relationship of trust are blessed indeed.

Happy New Year!

Fr Brian

In our November meeting we got round to talking about angels, but ran out of time. So we shall continue to find out more about them at this session. Any and all are invited to contribute. We shall look at the roles angels play in the Bible, and also, if you have any reference to modern day experiences with angels, please bring those along too. Just remember what the writer of Hebrews said: 'Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares.' [Chapter 13, verse 2.]

## ALDBOROUGH PARISH COUNCIL

### Items from the minutes of the December meeting

(Editor's choice). **Present:** John Padgham (Chairman), Heather Tamplin, Tony Baillie, Martin Elliott, John Hammond and two members of the public.

### Matters arising

Pegg Electrical had carried out a safety check for the **electricity supply box on The Green**. The mains connector under the manhole cover on The Green was showing signs of burning so would be replaced. The **Christmas tree lights** will be tested before they are switched on.

**JH** will cut back the overhanging **hedge that is hiding the 30 mph sign** in Chapel Lane. The **new junior goal post** had been delivered. The Clerk had written to the **Cricket Club** about their proposed presentation at the January meeting about their **proposals for a mobile changing room and practice net on The Green** – no reply yet. Nothing further had been heard from NNDC about the **siting of the Christmas tree** following the submission of the risk assessment. Comments on the planning application for the construction of a **biomass- fuelled energy facility at Stonepit Hill, Plum Lane, Gresham**, had been submitted.

A range of sports (softball, tennis, netball, football, badminton, tug of war and archery) will be open to teams entering the **North Norfolk Village Games** in 2011.

*At this point the meeting was suspended to allow the member of the public then present to speak. Mr Dennis Bacon drew attention to a flickering street light in Margaret Lilly Way. As Victory Housing Trust are responsible for this light, Mr Bacon agreed to report it.*

### Police Community Support Officer's Report

Since the last meeting, one crime had been reported and there were eight calls to the police. The next **Mobile Police Station** will be near the Post Office on **Monday 24 January, 10.00 - 11.00**.

### Norfolk County Council Consultations

The consultation document, "Norfolk's Big Conversation", had been circulated. The NCC had later suggested various activities that the Parish Council might wish to take over on either a paid or voluntary basis; the PC decided not to express interest in any of the suggested activities and to make no comments on the consultation document.

### Grounds Maintenance 2011

The Clerk had received two quotations for cutting the Green but none from the Cricket Club. It was decided to award the contract for 2011 to Secret Gardens and Prestige Properties for **£1,016**, the same as for 2010. The Clerk was asked to obtain a quotation for extra scarifying/aerating.

### Replacement of Play Areas

**HT** for **SP** reported that discussions have been taking place with Playdale Playgrounds Ltd, the Parish Council's preferred supplier, about the changes required to the

proposals for the play areas following the reduction in the amount of the grant originally awarded. **A grant of £27,500 will now be available**. As there is no revised plan yet available, **HT** described the changes that will be made to the proposal previously approved by the PC. Further consultation will take place once the revised plan is available. The PC endorsed the action already taken and the revisions made. Mr Baron Tremain has offered to remove the existing equipment free of charge. **HT** would check whether this could be done by 1st February when Playdale expect to begin work. **SP** will attend a further meeting with NCC on 9th December. The PC decided to authorise the sealing of the grant documentation with NCC and the contract with Playdale, and that these documents should be signed by **JP** and **SP**.

### Reports by Parish Councillors on their Responsibilities

**JH** – **Footpaths** are now "rock solid".

**TB** – **Community Centre** – Improvements to the toilets are now unlikely to be completed by 3rd December.

**ME** – **Health and Safety** – His proposal to try to prevent vehicles parking on The Green by using some white plastic piping was accepted. The grit bins are empty - this has already been reported to NCC.

**HT** – **Recycling banks** have both been emptied.

**JP** – **Community Bus** – Two new drivers have been recruited and are receiving some training.

**JP** for **BM** – **Planning** – Local Development Framework - the Inspector's report is still awaited.

**JP** for **BM** – **History Society** – Drew attention to the Society's competition for a title for their new book.

**JP** for **BM** – Will be attending a meeting of the North Norfolk Community Partnership on 7th December.

### Correspondence

**Highways** responsibility for the parish is now through their office in Pump Lane, Caister, where Mr Nigel Seago is the Area Manager. The Highway and Community Rangers will soon be visiting the parish and they ask for information about highways concerns. The deep pot hole on Watchoak Road will be drawn to their attention. The **PC's insurers** had sent some guidance on **clearance of snow and ice**.

Norfolk Rural Communities Council had given details of a **funding stream that will be available from the Big Lottery for community building projects**.

**Norfolk Fire and Rescue Service** had drawn attention to their **free Home Fire Risk checks**. (See page 10.) NCC had sent a supply of leaflets regarding their **Teleshopping Service**; these will be placed in the Community Centre. (See page 10.)

**Citizens Advice North Norfolk** have dealt with **56** enquiries from this parish during the last year: the PC decided to make a donation of £50.

Next meeting on **Wednesday, 12th January** (please note date) at **7.30** in the Community Centre.

THE NEXT **FARMERS MARKET** in aid of The Friends of Aldborough Primary School will be on **SUNDAY, 6 February, 10.00 - 1.00**, in Aldborough Community Centre.

**There will be no market in January.**

### **YOUR SCHOOL NEEDS YOU!**

**The NEW SCHOOL** How fortunate Aldborough children are to have such a wonderful new building! Full of light and space and every modern device you can think of (and a few that **you** probably didn't know existed!). Everyone is to be congratulated on the quality of the build and on having survived so long in temporary accommodation and on a building site. Not **just** surviving but achieving an outstanding report from Ofsted as well.

Congratulations above all to Mrs Casburn and the teaching staff.

This is where you come in! **WE NEED A TITLE** for our book. It can't be too long, as it has to fit on the cover. It obviously needs to reflect the content of the book, but otherwise the choice is yours!

Please submit your entries by New Year's Day to the Editor at Chesterfield House (01263 768063) or Keith Good at St Anne's Cottage (761580). There is a prize for the best entry; a **FREE** copy of the book, plus a very cuddly teddy bear! So get those creative thinking caps on.

## **INGWORTH PARISH COUNCIL**

Items from the report of the December meeting (Editor's Choice)

Under **matters arising** the Clerk advised that Norfolk County Council had confirmed that the **drain works on Priory Lane** would be scheduled, and that the **grit bin** purchased by the Parish Council was now sited and filled, with thanks to Crawford White. The Clerk advised that during an 'open day' visit to NCC Aylsham depot he had learned that **Ingworth's highways needs** would in future be serviced from Caister depot. The Clerk had had a site meeting with the new Highways Engineer for the parish. On **footpath** matters the Clerk had written to a landowner following the last meeting and he would write as well to National Trust to seek their support. On the **Reading Room**, the Clerk had written to Mr Durham to thank him for preparing drawings. The Council considered the safety report (circulated to members) on the **children's play equipment**, and agreed that members would address the one 'urgent action' item and review the 'desirable action' items.

R Calvert agreed to be the Council representative at **Griffon meetings**.

Under **finance** the Council considered donations to local organisations, hearing that the **N Walsham CAB** recorded 20 enquiries from

Ingworth parishioners last year. Accordingly the Council decided to award them a grant of £25. The Council also awarded £50 to the **Ingworth Parochial Church Council**.

In his report the Clerk advised that the withdrawal of grass cutting monies by NNDC would not affect any verge cutting in Ingworth. He had submitted a response on behalf of the Council to NNDC on their **Housing strategy**. He had circulated a NCC consultation on **footway and footpath maintenance**. NNDC had advised that they would like hear of village events in 2011 where they might pursue their '**Responsible Dog Ownership**' campaign.

In members' reports the Council heard about **pot holes** on Cromer Road and Priory Lane; the Clerk would contact NCC. The **hedge on Banningham Road** by the playground was overhanging the road and the 'Cromer Road' sign at the junction with Priory lane had not been replaced; the Clerk would contact NNDC on both items. The Council heard of many instances of **speeding** in the village and that police speed checks had been undertaken. **A tree had fallen** into the Bure and 250 **bulbs** had been prepared for planting in the village at no cost to the Council.

## NORFOLK TEleshopping SERVICE

This is a grocery shopping service, delivered by Norfolk County Council using internet grocery stores: Tesco, Sainsbury's, Waitrose and ASDA. It's designed to help people in Norfolk stay independent in their own homes for longer.

**How does it work?** We call you to take your grocery list and preferred choice of store. We then, whilst speaking to you, order your groceries and arrange for them to be delivered at a time to suit you. **Payment** is made via credit or debit card. (Cash on delivery is a limited option, depending entirely on local store availability – the larger internet stores will only accept card payment.) **Help with unpacking** can be arranged with one of our volunteers. After the initial shop we call at a pre-arranged time to do the next shopping order.

**How much does it cost?** Membership is £10 per quarter. This can be paid annually if preferred (£40). There is a 'Rainy Day' package if you only need occasional help; this costs just £10 and entitles you to 6 shops, which can be taken at any time, with no expiry date. This service is ideal for unexpected emergencies, discharge from hospital or bad weather.

## Revelation - The Last Judgement

**Saturday 22 January 2011** 9.30 - 5pm St Luke's Church 61 Aylsham Road Norwich NR3 2HF

Since it was written in the first century AD the Book of Revelation has been seen as one of the most controversial books in the entire Bible. Two opposing interpretations lie at the heart of **Dr Robert Beckford's** workshop, which includes his 60 minute documentary film for Channel 4. Is it a literal depiction of what will come at the end of time, when humanity will face the last judgement? Or is it an allegorical text in which John is calling on the burgeoning Christian church to stand true to their faith in the face of oppression from the Roman Empire?

**Cost and booking:** £35 full fee £20 concessions **Tickets required.** To apply for a place, - please contact Nick Vesey 01603 416973 [nicholas.vesey@btopenworld.com](mailto:nicholas.vesey@btopenworld.com)
